

Certification Outline

Alibaba Cloud Associate (ACA) Developer

Roopu Cloud is an official Alibaba Cloud Training partner

Description

The Alibaba Cloud Associate (ACA) Developer certification, commonly known as ACA Developer certification, is the associate-level Alibaba Cloud Computing Certification. It covers all of Alibaba Cloud's related product features and solutions, including containers, application monitoring, debugging, optimization, Alibaba Cloud function computing, and Alibaba Cloud product access control.

Intended Audience

This certification exam is for Alibaba Cloud absolute beginners, as well as for existing developers and programmers interested in deploying and developing applications on Alibaba Cloud or people just interested in hosting highly scalable, fault-tolerant applications on the Alibaba Cloud.

Certification Overview
